Title: SUBSTITUTED PYRAZOLES

**REQUEST FOR RESETTING OFFICE ACTION RESPONSE PERIOD
AND/OR WITHDRAWING IMPROPER HOLDING OF ABANDONMENT**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On April 8, 2008, the undersigned received a phone call from the examiner requesting confirmation of the abandonment of the above-identified application for failure to respond to the office action of September 12, 2007. However, after thoroughly checking applicant's file, it was determined that the mentioned office action was never received by the undersigned law firm. Evidence in this regard includes a copy of the front page of the law firm's file which shows no entry of receipt of an office action of such date, and a copy of the law firm's docket page for the due date of October 12, 2007, the expiry of the initially set office action.

There is no need to resend a copy of the office action since the undersigned has now downloaded a copy from the PAIR database. Nevertheless, the PTO must forward to applicants a paper resetting the period for response to the mentioned office action.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

/Anthony J. Zelano/
